## Bitter Digestive Vodka flavoured with Bison Grass

Produced to the same recipe since 1950. This is a traditional Polish Vodka based on the practice of infusing alcohol with herbs.

The brand has been highly valued by consumers for many years and a market leader in Poland, its country of origin.

This is a combination of a unique traditional Polish recipe and the delicate taste and aroma of bison grass. It is perfect to drink neat in shots, over ice or mixed with apple juice, for example.

Available for sale from October 2009.
